Apparel

I'd like to send out thanks to Ryan O'Hare for opening up a can of worms, or more specifically, the apparel closet the night before the Poker Run. We had a lot of last minute sales that continued into Saturday and helped Bordentown show its club pride up and down the river during the run. Even some skeptical new comers found something to suit them as we try to please everyone by keeping the merchandise as fresh and varied as possible.

Don't forget, you are not limited to what's in stock and adorned with the BYC burgee as far as apparel goes. If you've got enough club merchandise in your wardrobe already but would like to see your boat logo or brand on a sweatshirt, bag, rug or bucket – just ask! We can personalize just about anything you can imagine. Also keep an eye out for more generic nautical items – jewelry, apparel, housewares, etc. coming in the next few months.

Not sure what to buy? – we have club gift certificates available in ANY denomination. We accept cash & \$1 chits. Stop by and check it out! We are always (well, usually - haha) open!
